Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Monday 04 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunshine and showers for today.

Today:
Bright and sunny spells mixed with showers, with east brightest and mainly dry through the morning. Showers focused across western coastal districts at first, some heavy bringing risk of thunder. Showers building more readily in the east for the afternoon.

Tonight:
Showers dying back to western coasts during the evening. Cloud thickening across far south late evening, with area of rain developing across Lothian, Borders and Dumfries and Galloway before dawn.

Tuesday:
Area of occasionally heavy rain across southeast, spreading more patchy outbreaks up the east coast and to Shetland later in the day. Sunshine and showers for Highlands and Islands.

Outlook for Wednesday to Friday:
Wednesday mainly dry, but some patchy rain at first in far east and later for far west. Thursday and Friday rather cloudy with rain, heavy and persistent in northwest.
